Dear Sir or Madam:

I am writing with regard to Kirk J. Wittner. Mr. Wittner has served as my counsel during a malpractice case I was named in 2009-2010.

Through all of our interactions from our initial meeting to the final resolution of the case I have found Mr. Wittner to show the utmost professionalism. At our initial meeting he quickly reviewed the facts involved with the case and unequivocally told me that I would have a favorable outcome secondary to lack of validity of the charge.

His confidence and demeanor at this time was reassuring and welcome. His opinion of the case was in fact dead on target as the case was eventually withdrawn by plaintiff's attorney.

Throughout the several months that this case spanned, Mr. Wittner was in constant contact by cell phone and, importantly, always available should I have a question for him.

I would give Kirk Wittner my highest recommendation and without reservation. I am very satisfied as to resolution of my situation and have full confidence in his considerable skills. Should I need an attorney in the future for another issue, I would not hesitate to contact Mr. Wittner.

Please feel free to contact me for any further information.

Sincerely,

Vinay Kamat, MD
